

The Wheelbarrow Gardener / Florist

We are a floral design studio that take a limited number of wedding and event bookings each week.

We pride ourselves in offering exceptional personal service as well as stunning and creative florals for your special day!

Custom Floral Pricing: Minimum investment \$2000.00

We have worked with many different floral budgets with most of our couples spend somewhere between \$2000.00 - \$8000.00 for all of their wedding day florals and service needs

- Full floral weddings including bridal party, family florals, ceremony and reception florals
- Couple has specific flowers and design ideas that they want implemented
- Couple wants delivery and set up

Designers Choice Package: Minimum investment \$800.00

- Smaller more intimate weddings / elopements or vow renewals
- Couple just want bridal party flowers and perhaps personal florals for family
- Budget falls below our minimum \$2000.00 investment
- We decide the type of blooms, arrangements and floral plan, you tell us the colour palette (we'll always keep your vision and floral preferences in mind)
- Not available for wedding dates on long weekends

You tell us your wedding floral style & colour palette and we pick the blooms to design with based on your budget, colours and overall wedding style (taking into account your colour/style/ flower preferences of course).

You must trust our designers & floral design style completely for this option to work. Please note, we only hold a certain number of bookings for the Designers Choice Package. You can see our work on our gallery page on our website or via our instagram page @thewheelbarrowflorist
